July 29th, 2020

Dear Parents and Guardians,

I hope you and your families have had a healthy, fun, and safe summer. Belfry Public Schools will be opening as planned this fall. We have the safety of your children as our top priority. We are following all county and state mandates regarding safety measures including social distancing and school cleaning. Every child will have their temperature taken before entering the school and riding the bus. The child will not be allowed to ride the bus or enter the school with a temperature above 100.4 degrees. School will begin on September 2nd. Looking forward to a great start of the school year!

Thank you,

Jason Olson
Superintendent of Belfry Schools
